Interests

On which Board, Commission, or Council would you like to serve?

State Board of Education

Political Party (If Required)

Please explain why you would like to serve in this capacity.

I have a passion for education. Helping our youth achieve their potential is critical. When I consider ways that I might make a difference and give back to my community, serving on this critical board would be an honor.

List all current organizations and societies of which you are a member.

American Medical Association, American Board of Emergency Medicine

List all past boards, commissions, and councils on which you have served, as well as political appointments you have received.

Current Boards – Idaho State University Foundation, Idaho State University President's Advisory Committee, United Way of the Treasure Valley, American Heart Association, March of Dimes, Boy Scouts of American Ore Ida Council, Treasure Valley Leadership Alliance

Please list all professional licenses you currently hold. Are you current with all the requirements for these professional licenses? If not, please explain.

Doctor of Medicine Licenses – Yes
Board Certification in Emergency Medicine – Yes

Have you ever voluntarily surrendered a license, had a license suspended or revoked or been disciplined professionally? If so, please explain.

No.

Please list all supporting documents you have included. (Note: Your complete resume and authorization for Background Check are required.)

OFFICE OF THE GOVERNOR
JUN 16 2014
RECEIVED

June 4, 2014

Dear Governor Otter,

It is with great enthusiasm that I write you to express my sincere interest in the opening on the State Board of Education.

As you know, I have been passionate about education and the impact that it has on our community for years. I believe I am well qualified to represent the Treasure Valley and the State of Idaho on this very important board.

I received my Bachelor's Degree from the University of Utah and then my Doctor of Medicine degree from the University of Utah. Following my medical education, I completed a residency at the University of Arizona.

I have been a resident of the state of Idaho since 1999. During that time I have been active in the community and have worked to improve primary and secondary education.

For more than ten years, I served on the President's Advisory Committee at Idaho State University. I have also served on the Board of the Idaho State University Foundation for the last several years.

I have served on the Board of Directors for Fresco Art Academy guiding that private arts focused school through its start up and growth. Currently, I serve on the Treasure Valley United Way board and much of our time is spent discussing the educational and developmental challenges facing our young people and their families.

My experience in the community, with Idaho State University, and the advances made in medical education have shown me that we have great assets and significant challenges in educating our youth and our workforce. I would bring an objective look at education at all levels. In addition, my medical background would help us as a State Board with important decisions that will be facing our state as it relates to medical education and medical research in the coming years.

I am humbled to have you consider my name for this important position. I look forward to further communication and discussions with you and your staff as you consider this important opening in our state government. If there is something more that I need to submit please have your staff contact me so I can prepare and provide that information.

Sincerely,

J. Thomas Ahlquist, MD
Chief Operating Officer
Gardner Company

Governor Butch Otter
Attn: Boards & Commissions
P.O. Box 83720
Boise, ID 83702

Dear Governor Otter:

RE: REQUEST FOR APPOINTMENT TO THE STATE BOARD OF EDUCATION

Education is the key to success for Idaho's youth, the foundation of our workforce and an economic engine of our state's economy. The State Board of Education plays a vital role in our state's prosperity by shaping the policies that govern the education system. It would be a privilege and an honor to serve Idaho on the State Board of Education. I respectfully request an appointment.

My Idaho educational experiences have afforded me the opportunity to see education from numerous perspectives. As the state administrator for the Division of Professional-Technical Education, I worked with all of Idaho's K-12 school districts and higher education institutions, and had fiscal responsibility for the technical colleges in the two- and four-year institutions. At the JA & Kathryn Albertson Foundation, I had the opportunity to influence education, K-12 through higher education, from outside of the school system. As the Associate Vice President of the University of Idaho Boise, I advocated for higher education programs and research, and was a proponent of collaborative efforts among institutions – high school to community college to four-year institutions. While serving as the interim state administrator for the Division of Vocational Rehabilitation in 2010, my eyes were opened to the challenges, the humility and the humanity of Idahoans with disabilities. As a trustee at the private Foothills School in Boise I saw inspirational and creative teachers reshape curriculum in unique ways when given flexibility to teach differently. At the Idaho Migrant Council, now Community Council of Idaho, I came to appreciate the plight of students coming from homes of limited resources and how education can open doors in ways that were previously unimaginable.

I am a 37-year resident of Idaho and have seen the importance and the effect that the State Board of Education can have on students, schools and communities, the workforce and our state's economy. It would be my honor and a privilege to serve Idaho on the State Board of Education. Strengths I would bring to the board include:

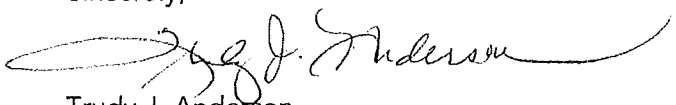
- Knowledge of and advocacy for Idaho's one-board state educational system

- Master's Degree earned at Boise State University; Teacher Certification earned at College of Idaho (BS from Oregon State University; Ph.D. The Ohio State University)
- Advocate for schools, agencies and institutions governed by the State Board of Education; proponent of community and technical colleges.
- Conservative values and a commitment to educational reform that benefits students and their potential to compete in the marketplace of today and tomorrow.

Enclosed are my application for appointment, resume and authorization for background check.

I would enjoy to opportunity to visit with you about my serving on the State Board of Education.

Sincerely,



Trudy J. Anderson

Consultant
Hill and Associates
[redacted]

Deputy Laboratory Director Emeritus
Science and Technology
Idaho National Laboratory
[redacted] (*INL business only*)
[redacted]

Professional Experience

Dr. Hill held the position of Deputy for Science and Technology at Idaho National Laboratory from November 1, 2005 to December 2012. He directed all Science and Technology programs for a Laboratory with an overall annual budget of about 1B$. INL is the lead federal lab for nuclear energy related matters and conducts research into every aspect of nuclear energy and nuclear non-proliferation. INL operates a test reactor, the Advanced Test Reactor, a National Scientific User Facility, as well as a wide variety of other nuclear facilities. INL also has significant programs in National and Homeland Security focusing on wireless communication, cyber security and the electric grid, as well as Energy and Environmental S&T, focusing on biomass utilization, batteries and energy systems integration.

Dr. Hill led the development of the Center for Advanced Energy Studies (CAES), an innovative collaboration with the three Idaho Research Universities which has won more than $40M of research grants to date, and remains a member of the CAES Steering Committee.

Dr. Hill held the full range of general management responsibilities at INL, representing the Laboratory Director whenever necessary, with congressional committees, state government committees and with the public. Since retirement, Dr. Hill has been appointed as Chair of the Idaho Global Entrepreneurial Mission (IGEM) council and also holds appointments on the Higher Education Research Committee and the EPSCoR committees for the State of Idaho. He also serves on the Board of Friends of Idaho Public Television and of IRON (Idaho Regional Optical Network) Board.

Professional Awards

2013 University of Idaho President's Medal
2004 Fellow of the American Nuclear Society
1998 Argonne National Laboratory Directors Award
1993 University of Chicago Distinguished Performance Award at Argonne National Laboratory

London University, Imperial College of Science and Technology – BSc (1st Class), ARCS, Mathematics, 1970, Ph.D., DIC, Mathematical Physics, 1974
University of Chicago – MBA (Honors), Graduate School of Business, 1995

Professional History

November 2005 to December 2012	Idaho National Laboratory (INL) Idaho Falls, ID 83401 Deputy Laboratory Director for Science and Technology Executive Vice President, Battelle Energy Alliance
June 2002-October 2005	Oak Ridge National Laboratory Oak Ridge, TN 37831
June 1984-June 2002	Argonne National Laboratory Argonne, IL 60439

Personal data

Married to Georgia Meacham, Real Estate Educator.

5 children

Statement of interest

Dr. David Hill

Applicant for State Board of Education Appointment

To whom it may concern

I wish to be considered for the vacant position on the State Board of Education (SBOE). As my attached resume indicates I retired as Deputy Director for Science and Technology at Idaho National Laboratory in December 2012. I have chosen to become a resident of Boise and want to contribute my skills and experience to the State of Idaho. To that end I hold positions on the Higher Education Research Council (HERC), a subcommittee of the State Board of Education, and the EPSCoR committee. In addition I am Chairman of the IGEM Council (Department of Commerce), a member of the Center for Advanced Energy Studies (CAES) Steering Committee, and a member of the boards for Friends of Idaho Public TV and Iron Regional Optical Network (IRON).

I have chosen these positions because they enable me to bring my talents to bear on a set of interlocking issues around higher education, technology and commercialization in Idaho. I have worked with all three research universities in the CAES environment, my work there being recognized with the University of Idaho President's medal in 2013.

This is a difficult time for public universities everywhere as they balance their public duties of teaching and academic research within an environment of declining funding, together with industrial support activities to help the economy of Idaho. The SBOE will have to take a major role in guiding the state of Idaho through this difficult period.

Obviously my experience is most relevant to Higher Education but I am also interested in K-12 issues. For Idaho to grow and prosper we must educate our youth and the geography of Idaho presents special problems. Technology must play a role but what is that role? Again the SBOE will be called upon to guide the transition.

I feel I am uniquely qualified and motivated to help the state of Idaho address these problems and offer myself to serve on the SBOE.

Respectfully,

Dr. David Hill

Interests

On which Board, Commission, or Council would you like to serve?

Idaho State Board of Education

Political Party (If Required)

Please explain why you would like to serve in this capacity.

The role of the SBOE board members in statewide education is critical to the success of each and every student in Idaho. As a believer and strong supporter of public education, I believe that my collaborative skills, business acumen, and years of community and volunteer service make me an exceptional candidate. Contributing to the success of Idaho's K-12 students, and the further development of community college and university programs is a role that I can, and would very much like to fulfill.

List all current organizations and societies of which you are a member.

Board Chair, Boise State University Foundation, Board Member- St. Luke's Western Regional (Including MSTI) Board, serving on Finance, External Relations, and Quality Committees, Member American Institute of CPA's, Idaho Shakespeare Festival Consulting Board Member,

List all past boards, commissions, and councils on which you have served, as well as political appointments you have received.

Former Board Chair-Idaho Shakespeare Festival, Executive Board Member-Boise Metro Chamber of Commerce, Board Member-Boise Schools Foundation, Riverside Elementary PTO, Timberline High School PTO, YMCA-Meridian Task Force, Vice President-Leadership Boise for High School Leadership Academy, President-Leadership Boise, Boise Mayor's Library Advisory Committee, Boise Mayor's Business Roundtable. I do not hold and have not held any political appointments.

Please list all professional licenses you currently hold. Are you current with all the requirements for these professional licenses? If not, please explain.

Because I do not practice public accounting, I do not keep my CPA license current.

Have you ever voluntarily surrendered a license, had a license suspended or revoked or been disciplined professionally? If so, please explain.

No.

Please list all supporting documents you have included. (Note: Your complete resume and authorization for Background Check are required.)

Interests

On which Board, Commission, or Council would you like to serve?
State Board of Education

Political Party (If Required)
Republican

Please explain why you would like to serve in this capacity.

Being an educator for the past 30 years has taught me many important things but the most important thing I have learned is to guide people to believe they can achieve all that the American dream has to offer by getting an education! I have been a volunteer and public servant in various capacities my entire life. I believe a well educated society helps create jobs which provides a sustainable future for my family and for Idaho. I have held many leadership roles in the state legislature,education, politics, my church and community and I believe the most important characteristic one can possess is to learn, listen and lead. Learning and practicing these skills as a school counselor/teacher/legislator and school board member for many years has taught me to be a consensus builder and move forward once a decision has been made.

If selected, you can be guaranteed that I will work hard, and commit to doing all I can to help Idaho have the best education system possible. I appreciate the opportunity to apply for this position and thank you for considering me for this board.

List all current organizations and societies of which you are a member.

Attached on my resume.

List all past boards, commissions, and councils on which you have served, as well as political appointments you have received.

Attached on my resume.

Please list all professional licenses you currently hold. Are you current with all the requirements for these professional licenses? If not, please explain.

I currently hold a Secondary Teaching Certificate for the State of Idaho. I am also Vocationally Certified and hold a K-12 Counselor Endorsement.

Have you ever voluntarily surrendered a license, had a license suspended or revoked or been disciplined professionally? If so, please explain.

No

Grant Writing - Written and received over 25 grants since I began my counseling career ranging from $1.5 million dollars for the implementation of a K- 12 Developmental Counseling program to "Artist In Residence" for at-risk youth.

1998-2000 **Caldwell School District, Public Relations Coordinator.**
Produced newsletters and worked with both print and media to promote the Caldwell School District. Developed a variety of promotional brochures. Part-time employment.

1989-1997 **Caldwell Alternative High School, Counselor.**
Responsibilities included assisting at-risk students in individual planning for intermediate and secondary programs. Created a data driven program for evaluation and change. Initiated changes to improve school climate using a rubric of respect, responsibility and safety. Organized and conducted groups ranging from academic achievement to substance abuse intervention. Co-chaired the first Alternative Education Conference in the State of Idaho, served as Treasurer of the organization.

1984-1989 **Parma School District, Counselor.**
As Parma's first Junior High counselor, I initiated several programs for the school which included Academic Achievement Awards program and The Natural Helpers Counseling Program, both of which are still taking place today in 2008. Initiated a pilot project for the development of the State of Idaho K-12 developmental counseling model. I established programs for at-risk youth and career education.

1982-1984 **Wilder School District, Teacher**
Taught curriculum ranging from Life Science to all Vocational Home Economics courses, where 95% of the student population was considered at-risk youth. Developed programs to help students overcome their economic situation and to go on to post high school education.

EDUCATION — Melinda S. Smyser

1986-Present **Continuing College Education to Present -** I have received many credits (from BSU, NNU, ISU and C of I) since receiving my Masters Degree in 1985. Taught Adjunct Counseling Classes at College of Idaho.

1985 **College of Idaho, Masters Degree in Education M. Ed, Major-Guidance/Counseling. Top Ten Seniors.**

1981 **University of Idaho, Bachelor of Science, Dual Major-Clothing/Textiles/Design and Home Economics/Extension. Top Ten Seniors.**

Interests

On which Board, Commission, or Council would you like to serve?
State Board of Education

Political Party (If Required)
Republican

Please explain why you would like to serve in this capacity.
My interest is based on my 33 years in public education in Idaho. I spent 16 years teaching and 17 years as a middle school principal. Coupled with my 8 years (2 as Mayor) on the Twin Falls City Council give me a unique combination of experience to be a productive member of the board.

List all current organizations and societies of which you are a member.
3rd Vice President of the Association of Idaho Cities

List all past boards, commissions, and councils on which you have served, as well as political appointments you have received.
Currently Mayor of the City of Twin Falls (Until Jan. 6 when I will move back to being a city council member), Current member of the Idaho Dept. of Transportation Traffic Safety Commission.

Please list all professional licenses you currently hold. Are you current with all the requirements for these professional licenses? If not, please explain.
Past holder of Idaho Teaching and Administration Certificates. I have been retired for 4 years and have allowed them to lapse.

Have you ever voluntarily surrendered a license, had a license suspended or revoked or been disciplined professionally? If so, please explain.
No

Please list all supporting documents you have included. (Note: Your complete resume and authorization for Background Check are required.)
Resume included

The information set forth above in my application is true to the best of my knowledge. False statements on this application shall be sufficient cause for non-consideration or dismissal after appointment.

EDUCATION

PLACE	LOCATION	DEGREE	YR	MAJOR
FILER HIGH SCHOOL	FILER, IDAHO		1970	
SOUTHERN IDAHO	TWIN FALLS, ID	AA	1974	GEN. STUDIES
UNIV. OF IDAHO	MOSCOW, ID	BS	1976	SEC. EDUCATION
COLLEGE OF IDAHO	CALDWELL, ID	MS	1989	ED. ADMIN.

WORK HISTORY

TEACHER	FILER SCHOOL DISTRICT	1976-1992
PRINCIPAL	FILER SCHOOL DISTRICT	1992- 2009 RETIRED
TWIN FALLS CITY COUNCIL,	TWIN FALLS	2006-PRESENT REELECTED NOV. 2013

MILITARY SERVICE

1970-1974	IDAHO AIR NATIONAL GUARD, GOWEN FIELD, BOISE, IDAHO
1974-1978	IDAHO ARMY NATIONAL GUARD, 116TH ARMORED CAVALRY
1978-1980	IDAHO AIR NATIONAL GUARD, GOWEN FIELD

I grew up on a farm/ranch near Hollister which is 20 miles south of Twin Falls. I attended Filer Schools until graduation in 1970. Then I joined the Idaho Air National Guard with active duty for training at Lackland Air Force Base in San Antonio, TX and Keesler Air Force Base in Biloxi, MS. After training was complete, I returned to Hollister and attended College of Southern Idaho, then matriculating to Univ. of Idaho, graduating in 1976. I moved to Twin Falls after graduation. I landed my first teaching job at Filer High School in 1976 teaching Government, Geography and History. Coaching football, girls basketball and track. After three years at FHS, I transferred to Filer Middle School where I taught American History and World Geography. I also coached Football, Girls Basketball, Girls Volleyball and Track... After I attained my masters degree from College of Idaho, I moved onto being Principal at Filer Middle School. I retired in 2009.

I ran for Twin Falls City Council in 2005 and was elected. I ran again in 2009 and 2013. Successful both times. I served as Vice Mayor from 2010-11 and Mayor 2011 to present

On which Board, Commission, or Council would you like to serve?
State Board of Education

Political Party (If Required)
Republican

Please explain why you would like to serve in this capacity.
Simply put, I have a passion for education. Spending 10 years as a local school trustee allowed me the opportunity to affect positive change within my community. I believe Idaho is headed in the right direction with increased standards and student achievement. I am interested in partnering in the decision making process to further opportunities for Idaho's young people. I believe that my experience, work ethic and desire to see our state succeed educationally is a solid foundation that will serve me well. Education is an integral part of family and day to day life. I have two children that have pursued higher education after high school and I have two children still in the public school system. I would like to take a turn, so to speak, serving in our state in a way that positively impacts education.

List all current organizations and societies of which you are a member.
Cassia County Central Republican state committeewoman; Treasurer, Oakley High School Booster Club

List all past boards, commissions, and councils on which you have served, as well as political appointments you have received.

Office of the Governor
Attn: Boards and Commissions
P.O. Box 83720
Boise, Idaho 83720

Governor Otter:

Taking into account the many talented individuals who have expressed and will express a desire to be appointed to the Idaho Board of Education, I confidently submit my credentials for your consideration in obtaining the opportunity to serve the students of Idaho as a board member.

After graduating from Burley High School, I attended Smith College and Brigham Young University for my undergraduate training. I then completed an Ed.M. at Harvard University Graduate School of Education. My passion for education has allowed me to teach in a myriad of locations from the oldest off-reservation boarding school for Native American youth to the College of Southern Idaho as an adjunct professor. I have over ten years of teaching experience in public education.

My two children, ages six and five, are or will be students in public schools. It is very rewarding as a parent to be involved as a volunteer in their classrooms and interact with other parents and teachers. As the statewide dialogue surrounding standardized testing, Common Core, and federal mandates continues, I feel it is imperative to add my voice to this dialogue, particularly from the perspective of an educator and as a parent. I want to ensure my children, as well as the children of Idaho, have the same opportunities I did to enter a global economy and be successful academically and professionally in whatever forum they find themselves. Two areas of concern are the lack of talented and gifted programs at the elementary level in Idaho and the prevalence of high school graduates testing into remedial courses at the collegiate level. I feel my education, professional experience, and perspective will be an asset to the Idaho Board of Education in improving these issues in education as well as education overall in Idaho.

Idaho is a wonderful to grow up and to raise a family. My husband, a prosecuting attorney, and I deliberately chose to live in Idaho after completing our graduate studies in Massachusetts and Oregon. I have the desire and ability to contribute in ensuring that Idaho has the best education program in the nation. Please allow me the opportunity to serve on the Idaho Board of Education.

Sincerely,

Cortney Abenroth

Cortney P. Abenroth

Biography

Wendy Jaquet and her family moved to Ketchum, Idaho in January of 1977. Her husband Jim had been hired to serve as the City Administrator for the city of Ketchum. Wendy and Jim managed the Ketchum Wagon Days Celebration for several years. In addition to serving on several boards and committees, Wendy managed N. Taylor Stonington, Inc. a multiple art gallery and wholesale art operation, 1980-1983 and was the Executive Director of the Sun Valley Ketchum Chamber of Commerce for thirteen years, 1983-1997.

In 1994 Wendy ran and was elected to the Idaho House of Representatives where she served for the next 18 years in various leadership capacities including Minority Leader. Her last four years were spent on JFAC, the Joint Finance and Appropriations Committee where she worked on many budgets including those of the Department of Health and Welfare. She has recently been appointed by the Governor and approved by the Idaho State Senate to the Idaho Board of the Department of Health and Welfare.

Wendy has taught two freshman level courses at Boise State University, State and Local Government and has been accepted to the new BSU PhD program, Public Policy and Administration. She continues to be involved in the Wood River Valley Community as a Board member of the Sun Valley Marketing Alliance, the Foundation for Parks and Lands (Reinheimer Ranch) and other community efforts.

On which Board, Commission, or Council would you like to serve?
State Board of Education

Political Party (If Required)
Republican

Please explain why you would like to serve in this capacity.
Since retiring from education after twenty-seven years of experience as a teacher and principal in the Magic Valley, I'm confident that I have the time and the background to contribute to making sound decisions of the continued enhancement of our K-12 , college and university programs.

List all current organizations and societies of which you are a member.
BSU Alumni Association, Bronco Athletic Association, Buhl Catholic Women's League
I am currently serving on the BAA Board.

List all past boards, commissions, and councils on which you have served, as well as political appointments you have received.
Because of my dedication and commitment to being a teacher and principal, working with students, parents and teachers was my priority. As an administrator, I worked with the State Department of Education in implementing the Reading First Program and Federal Programs in the Buhl School District.

Please list all professional licenses you currently hold. Are you current with all the requirements for these professional licenses? If not, please explain.
B.S. Degree in Secondary Physical Education, Elementary Education, General Science and Health.
M.A. in Curriculum and Instruction with a K-12 Principal's Endorsement. (Since retiring, my certification has lapsed).

Have you ever voluntarily surrendered a license, had a license suspended or revoked or been disciplined professionally? If so, please explain.
NO

Please list all supporting documents you have included. (Note: Your complete resume and authorization for Background Check are required.)
Cover letter, resume and authorization for Background Check

Office of the Lt. Governor
Attn: State Board of Education
P.O. Box 83720
Boise, ID 83720

Dear Lt. Governor Little,

Being from a farming and ranching family from the Magic Valley and an educator for 27 years, I value our education system in Idaho. I would appreciate the opportunity to interview for the open position on the State Board of Education. I believe I have the qualities and the time needed to serve for the continued improvement of education in Idaho. I feel fortunate to live in Idaho where the legislature does not deficit spend to fund programs over and above their means. With that understanding of a balanced budget, I realize the decisions made for education must be sound.

Sincerely,

Helen Brown

Office of the Governor
Attn: Boards & Commissions
P.O. Box 83720
Boise, ID 83720

Dear Governor Otter,

Enclosed with this letter you will find my application for the State Board of Education, the Authorization for Background Check and my Resume. I hope you will consider me for the position not only for my twenty-seven years of experience in K-12 education, but for my experience with higher education in Idaho.

Both my husband, Greg, and I in addition to our son, Sean, graduated from Boise State University. Our daughter, Kalinda, graduated from Notre Dame, and our youngest daughter Jessica, graduated from the University of Idaho. When I went back to get my masters, I appreciated how the University of Idaho and Boise State University worked with me so that I could not only earn my M.A. in Curriculum and Instruction, but I could achieve a K-12 Principal's Endorsement at the same time. Education has been very important to our farm family and we are proud of the quality education we received in Idaho.

Since retiring, I still have a desire to be involved in education and doing my part to help all students in Idaho. I appreciate your considering me for the appointment to the State Board of Education.

Sincerely,

Helen Brown

Afton E. Patrick

[redacted]

An Idaho native, I was born and raised in Moscow, Idaho to a family who were small business owners. I graduated from the University of Idaho with a BS in Education. After I married Jim Patrick, we moved back to his home place near Twin Falls, where I learned to irrigate and run farm equipment. I taught school in Rupert, Acequia, Hollister and Filer. I have been in elementary education for 45 years. In those years I have used many methods of learning from the "hands on" science, math, and history to the "Smart board". I have taught kindergarten through sixth grade at some time in my career. I also acted as vice principal for the last five years. During this time I have been awarded the Outstanding Science Teacher for Idaho, Idaho's Farm Bureau Teacher of the Year, and National Outstanding Educator of the Oregon/California Trails Association.

I have been active in the Republican Party for about fifteen years by helping stuff bags, helping at Twin Falls County Election Headquarters, putting up and taking down campaign signs, hosting fund raisers and garden parties, and giving monetary contributions.

I was president of the Idaho Chapter Oregon/California Trails Association (OCTA) for eight years. During that time I worked with the BLM, the Forest Service, and the Native Tribes as we walked, marked, and GPS the many routes of Oregon Trails through Idaho. I organized an OCTA national convention in Pocatello in 1997 for seven hundred people and gave talks or lead bus tours during the Nampa OCTA convention in 2010.

Idaho's young people are the future of the state, who need the opportunity to develop their skills either in the technical or academic field. Not all youth are meant to be scholars, just as not all are meant to work with their hands. All aptitudes of Idaho's youth need the opportunity to develop to their fullest ability. I feel I can offer insight from the child to the young adult to the State Board of Education. Technical and academic balances will keep our youth living and working in Idaho.

Alton Patrick

RE: Afton Patrick

To whom it may concern:

My name is Gretchen Clelland and I believe the selection committee for the new member of the Idaho Board of Education has an excellent opportunity in Afton Patrick. She is a quiet thoughtful person who has vast experience in the education field. The knowledge Afton has gained by spending 45 years in the classroom is a priceless asset.

I am always happy to have Afton as a part of the group when working on a project or event because I know she will know what needs to be done and her share will be done in a timely and professional manner. Afton has amazing leadership qualities which make her an invaluable addition to any board or organization.

I was very excited when Afton called and told me she was considering the position of Idaho Board of Education. I thought what a perfect choice; she is exactly the person we need on that board. We are fortunate to have such a qualified candidate in Idaho

I am happy to answer any questions you may have about Afton Patrick

Sincerely

Gretchen W Clelland

Governor C.L. "Butch" Otter
Idaho Capitol
700 West Jefferson Street, Suite 228
P.O. Box 83720
Boise, ID 83720-0034

Dear Governor Otter:

I am very interested in being considered for the opening on the state Board of Education. I believe I could bring some attributes to the board that are unique. I served three terms on the Wallace School Board during challenging financially times. Between the second and third terms after I had chosen not to run, I was asked to chair a facilities review committee. We studied the facilities for over two years and then made recommendations to the school district on closing buildings and running a bond for a new building. I then had the opportunity to chair the committee that passed the bond to build a new Jr/Sr High School in Wallace which is now about ten years old. As you know, the Silver Valley has had challenging economic times since the early 1980's, yet we in Wallace have managed to take care of our facilities and pass supplementary levies every year since I've moved back to Wallace in 1981.

As my resume shows, I am currently serving as Mayor of the City of Wallace. In this capacity I have had the opportunity to meet with you at events such as the Governor's Cup. I believe my experience as a small business owner for 35 years in addition to my years on the school board and involvement as Mayor of Wallace would serve me very well if I was nominated for the opening on the state Board of Education. I look forward to hearing from you and if more information is needed, please don't hesitate to call me.

Included is a resume of personal and professional experience and accomplishments.

Sincerely,

Dick L. Vester
