January 23, 2015

EDUCATION NETWORKS OF AMERICA ("ENA")  
618 GRASSMERE PARK DRIVE SUITE 12  
NASHVILLE, TN 37211

CenturyLink Account Number: 80450058  
Amount Past Due: **\$1,010,478.47**

Our records indicate that ENA's account balance has been past due for several months. **ENA's CenturyLink service is in jeopardy of being interrupted or disconnected under the terms of its contract with CenturyLink.** To avoid interruption, please remit payment of the outstanding sums due within 30 days of the date of this letter, or contact me to discuss alternative payment arrangements.

As we have previously communicated to you, ENA's payment obligations under its agreement with CenturyLink are not contingent on its receiving funding from the State of Idaho or through the federal E-Rate program. While we hope we can resolve this issue through a mutually-agreeable arrangement, CenturyLink cannot provide service to the State of Idaho as ENA's subcontractor without payment from ENA.

Thank you for your immediate attention to this matter.

CenturyLink reserves any and all of its rights and remedies for nonpayment under its agreement with ENA. Nothing in this letter, nor any delay in exercising any right under the contract constitutes a waiver.

Sincerely,  
Lila Mears
